6/7/2018 - **Officer Sean Dinse** Showing that this is a personal Stalking linked back to around 2013 when I was forced to call Internal Affairs on his Partner Officer Jensen for arresting me for sitting on the sidewalk because I asked him for his Badge Numer then putting in Battery Charges saying I tried to batter someone by throwing a card at them. The same types of thigns Officer Sean Dinse has been doing to me for the last 6 years which he is working with Mike Huntley for the last 17 years on these operations to remove me from society no matter what it takes working with **Mike Huntley**

**Officer Sean Dinse Facebook and Twitter where he puts up names and photos accusing people of crimes before convicted and turnss mas groups into vigilantes to stalk people. Then tries to thug them quiet afterwords**

My illegal corrupt rigged Trial

**5/3/2018 - Thug parking ticket given to me, not by parking enforcement but by Officer Sean Dinse for 1.5 inches in the red 2 weeks before he takes the stand**

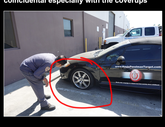
Officer Sean Dinse Showing his **OBSESSSION** and **GUILT** trying to thug me quiet

**6/7/2018 - Officer Sean Dinse working with someone in the community Pops my tire and impounds my car off the public street in front of my place showing he is still stalking me and it's personal as normally cars around towed around here for being parked longer then 72 hours on the public roads. Just my cars -**

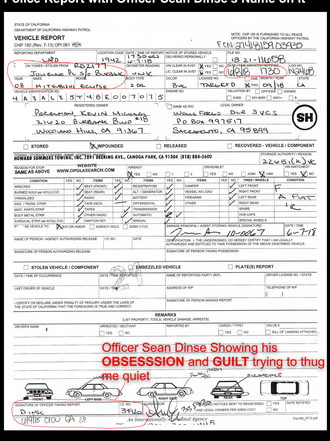
**While I will admit, the rubber is old, the timing of these car tires going flat is way to coincidental especially with the coverups**



**Howard Sommers Towing**

They **refused** to give me a copy of the SIGNED paperwork who initiated the tow with Officer Sean Dinse's Name on it Showing who authorized the tow

**Police Report with Officer Sean Dinse's Name on it**

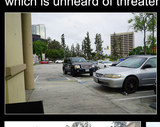


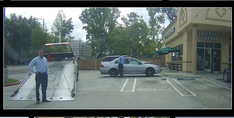
**5/18/2018 - Another tire magically popped in seconds while getting a coffee on my way to take the stand at Van Nuys Court for what Officer Sean Dinse is involved in doing to my life with Mike Huntley at Starbucks on**
5960 N. Canoga Ave, #1,
Woodland Hills, CA 91367

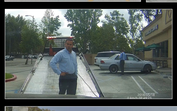
This time, the Gas Station owners come out threatening the Tow Truck Driver not to tow me and one with a metal object the police are not concerned about this saying that because I reported it, even though it involves me, that they don't want to investigate it because the threats were not direded at me. Even though it was an attempt to stop me from going to court

The Police are friends with the Persian Gas Station Owners on this proprety and don't want me here or any other coffe shop worldwide making it clear that I will be stalked at any Coffe Shop worldwide with yers of terror and abuse by them

Once again, while the rubber is old, their are way to many connected events going on. The peopel closest to the car stating they work for a tire company refusing to give me info, and the Gas Station owners not wanting me to tow my car which is unheard of threatening the Tow Truck Driver







These are all connected events with Large Groups working together. For example, the reason these Persian Gas Station owners are stalking me with the police are linked to Tom Farley working with Persians at the The Coffee Bean & Tea Leaf **at**

**19732 Ventura Blvd.,**
**Ventura/Corbin, Woodland Hills, CA 91364**

Tom Telling the Persian Community worldwide that I hate Persians. Which jumps to all races. Someone sent after me around 8 years old, even going as far as telling the world I have no self control, and that I supposedly saw an Alien when I was 8, telling me a bathroom light was an Alien light. Then telling the world that I am crazy and 30 years of operations from him alone

Corrupt **Officer Sean Dinse** trying to remove me from society for what I know and what he, **Officer Jensen** and Mike Huntley are involved in
