Case Summary:

Suspect Kevin Perelman is known to litter/illegally dump thousands of his business cards on public and private property. The business cards are printed with the following e-mail address "KevinPerelmanTarget.com".

On 05-18-17, at approximately 1300 hrs., Victim Terrance Scroggin advised Suspect Kevin Perelman scattered hundreds of business cards in the area. Victim gathered 50 business cards from the ground on Burbank Blvd, and responded to suspect's residence (21620 Burbank Blvd. #18) and set them on suspect's patio table. Victim later crossed paths with suspect and suspect stated to Victim "He would slice him open if he did it again". Victim feared for his life and believes suspect would carry out his threat.

Officers conducted a follow-up to suspect's residence and arrested/booked suspect for 422 PC (Criminal Threats) booking #4991549.

On 05-22-17, Officer Setzer #31498 presented the case, which was dropped to a misdemeanor (17(B)(4) PC), to filing DCA Robert Orlich and prosecution was declined.

Investigation Continued:

Investigative Officer has received numerous community complaints about Kevin Perelman's escalating behavior since July 2013. The business cards littering private/public streets have been found throughout Woodland Hills and in other surrounding communities. The website indicated on the business cards is a blog documenting Kevin Perelman's extreme paranoia that he is being harassed and followed by specific persons or groups. The cards being littered in the area are to spread the word to the community about this harassment.

Kevin Perelman's behavior recently has been escalating that he is littering thousands of business cards through the community, which are being picked-up by private citizens, city resources or being deposited into the storm

Witness 1: Kotel, Yruhm Elli DOB: 02/11/1936

Source Of Activity

On May 18, 2017 at approximately 1320 hours my partner, Officer Compton Serial No. 36582, and I, Officer Cairns Serial No. 42457, were assigned Topanga patrol. We were deployed as unit 21A97- W2. We were in full police uniform and operating a marked black and white police vehicle. We received a radio call of a "Male Mental" at 21620 Burbank Blvd. #18.

Incident #: 170519002663 RD#2177

Investigation

My partner and I approached the apartment complex and met with the Victim/PR Scroggin, Terrance who stated Suspect, Perelman, Kevin scattered hundreds of business cards on Burbank Blvd. and Julianna Pl. and has done so several times in the past. Victim gathered approximately 50 business cards off the ground on Burbank Blvd. and set them on the suspects patio table (). Victim and Suspect crossed paths outside their complex on Julianna Pl. and the Suspect approached the Victim. Suspect got inches away from the Victims face and threatened the Victim. Suspect stated he would "Slice him open if he did that again." Victim told Suspect it needed to stop and walked away. In fear for his life, Victim called PD. Victim believes Suspect would carry through on his threat.

Witness 1, Kotel, Yruhm stated he has trouble understanding English but was standing on his porch when he saw the Suspect approach the Victim and get inches from his face. Witness stated he had a confrontational stance and looked like he was going to fight him.

Unit 21A43, Officer Campodonico #26541, Officer Norris #37704 responded as well as Sgt. Schnieder #32410, Officer Dinse-34920 and MEU Officer Jurisaga #36897 coincidentally responded to the location to conduct a mental evaluation assessment of the suspect and was prearranged prior to the call being dispatched. We made a tactical plan and approached the residence. My partner and I knocked on the Suspect door, the Suspect answered the door and sat down on the chair on the patio of his residence. Suspect stated the Victim had been following him around and antagonizing him. Suspect denied making a threat to the Victim. Suspect was then handcuffed and taken into custody without incident.

Arrest

Perelman was placed under arrest for 422 PC Criminal Threats and transported to Topanga Station.

Source of Activity:

I, Senior Lead Officer Dinse #34920, am currently assigned Topanga Patrol and responsible for monitoring the east portion of Woodland Hills. My responsibilities as a senior lead officer include handling radio calls, monitoring crime trends, mitigating traffic issues, creating neighborhood watch groups, intervening on neighbor disputes and dealing with on-going nuisance issues. One of these nuisance issues includes a community complaint I've been dealing with for the past 5 years. The suspect in this case, Kevin Perelman is known to throw mass amounts of business cards throughout Woodland Hills creating a nuisance.

Kevin Perelman suffers from extreme mental illness and believes there is a conspiracy against him and that the government is targeting him. As a means of spreading the word about this conspiracy, Kevin Perelman created a business card with KevinPerelmanTarget.com printed on the surface. When you access the website on-line, the entire website is dedicated to explaining the 30-year conspiracy against him including video of security guards removing his business cards from vehicles at Gateway Plaza, and random photos of persons or vehicles he believes are part of the conspiracy. An excerpt from his website are included down below in the additional portion of this report and a screen shot of his website heading is depicted in this photo.

Kevin Perelman Target

Targeted for over 30 years

Campaign to remove me from society

In July 2013, I became involved in an investigation where suspect was illegally dumping his business cards and random glow sticks, pornographic material and trash in and around his residence on Julianna Place south of Burbank Blvd in Woodland Hills. Dr#13-2100717. After his case was dispositioned in Los Angeles Municipal Court, it appeared suspect stopped illegally dumping his business cards.

Throughout my assignment as a Senior Lead Officer in Topanga Division I have seen over a thousand of these business cards littered on public/public property and placed on vehicles.

Investigation:

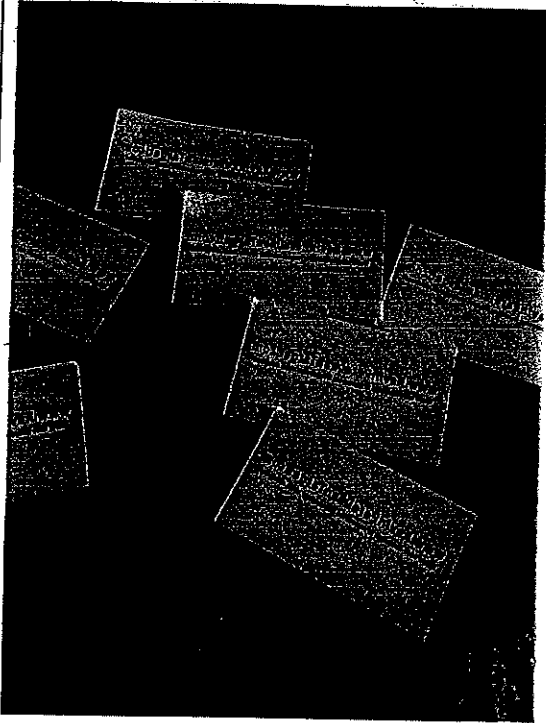

On April 28, 2016, I received information via social media that a community member Linda Cannon observed suspect throw handfuls of KevinPerelmanTarget.com business cards out the window of his vehicle. Victim posted the below photo of some of the business cards she collected. Victim stated that at approximately 1330 hrs., she was walking her dog around Warner Center Park, when she observed suspect travelling northbound Owensmouth Avenue, at a slow speed, and begin throwing handfuls of

business cards out the window. Linda advised she collected at least 100 business cards because littering is a pet peeve of hers. Victim checked the website and advised she was concerned about suspects paranoid behavior.

On March 21st, 2017, 1014 hrs., I received a message from Brittany Duffy advising she just collected a bunch of cards of the streets.

On May 9, 2017, at 10:26 PM I received the following message Brittany Duffy:

“He's littering cards currently, tried to get video but wasn't fast enough”

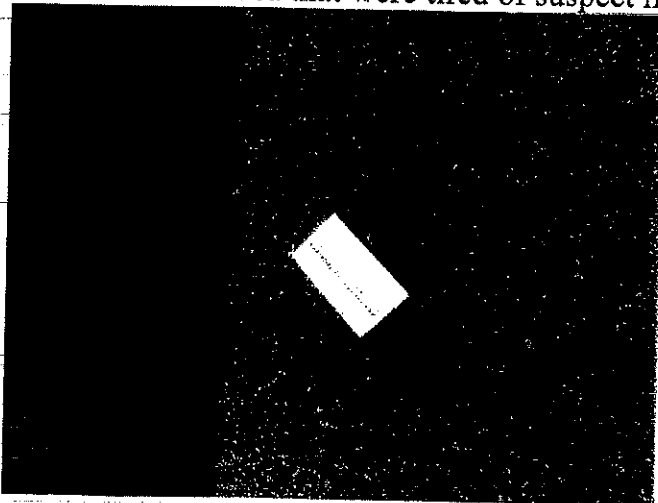

On May 18, 2017, at approximately 0830 hrs., I contacted Brittany Duffy and she advised that on May 9th, 2017 at approximately 2220 hrs., she was seated in her vehicle with a friend when she observed suspect littering his business cards and placing them on vehicles. Suspect walked up to the vehicle she was seated and observed the suspect attempt to place a card on the windshield but he recognized someone was in the care and didn't leave a card. Brittany advised she has taken numerous photos and videos documenting suspect's business cards being littered all over her street.

On 05-18-17, at approximately 1300 hrs., I, Senior Lead Officer Dinse #34920, was assigned 21SL97, Topanga Patrol. On the above date and time, I was en-route to 21620 Burbank Blvd #18 to contact Kevin Perelman at his residence. I was meeting Officer Jurisaga #36897, from LAPD Mental Evaluation CAMP Unit, to assess Kevin Perelman and warn him for the on-going illegal dumping issue.

On the way to the residence, I was advised that a radio call was generated at the location of a “Male Mental”. I responded southbound Julianna Place from Burbank Blvd and observed at least 50-100 KevinPerelmanTarget.com business cards on the street and parked vehicles. I met with Officer Cairns #36582 and Compton #42457, learning that Kevin Perelman threatened Victim. I met with Victim Terrance Scroggins and he advised that he was tired of Kevin Perelman littering the area with his business cards. Terrance stated he collected a bunch of the cards, walked over to his unit and placed the cards he collected on his patio table. When Terrance contacted Kevin, he threatened to “Slice him open if he did that again!” Suspect was subsequently arrested for 422 PC (Criminal Threats) Booking #4991549 Dr#17-2110824

Photos, Recordings, Videos, DICV, BWV and Digital Imaging:

Below are photos of the street and vehicle the day Kevin Perelman was arrested. The cards littered on Kevin Perelman's vehicle, with the license “TARGTED”, were placed on his vehicle from community members in the area that were tired of suspect littering the area with his cards.

Court Information:

I can testify to the contents of this report.

Additional:

Request that suspect stop illegally dumping his business cards on the public/private property or placing them on random vehicles as a condition of probation. Suspect placing his business cards in the street, eventually make their way into public water drainage system and end-up in the ocean. These business cards littered in Woodland Hills make their way into the ocean eco-system causing a direct danger to the sea life which could indirectly effect global warming.

Suspect's behavior has escalated from just littering to threatening members of the community due to his belief there is a government conspiracy targeting Kevin Perelman.

Below is an excerpt from the KevinPerelmanTarget.com website he created documenting the 30 plus years of conspiracy to campaign to remove Kevin Perelman from society:

".....A worldwide campaign started by my family and the government to try to set me up, smear my name, create mental illness, terrorize me and torture me to remove me from society any way possible and cover it up since I was 10 yrs. old working with the police, government, social workers, my family and friends with a worldwide funded smear operations. Violating my civil rights because they just don't like or trust me and refusing to protect me when I found out what was going on due to the fact that they were involved in the operations. There are other names for these types of stalking mental illness tactics being done to me known as. "Gang Stalking", "Cause Stalking", "Community Harassment Groups" Also known as Gas Lighting. Basically the intent to end someones life with covert mental illness tactics in mass groups, which can be researched if you have any confusion of how they operate. Except my targeting is on a world wide scale, all day and night and started and coordinated with my family and government since 10 years old, almost every single person-I have been contact with, and never stops. And if I try to address any issues, these mass groups are told to terrorize me more and more with what I addressed to try to inflict pain and keep me silenced and try to stop me from speaking out.

Since the age 29 when finding out something wasn't right and not knowing I was being hunted to remove me from society, I went to 24 psychologists/psychiatrists each and every one was working with the masses to try to stop me from speaking out about what is going on. Some even working with the police to set me ups with neighbors and people around the city. Others trying to trick me into checking myself into institutions. The rest working with the masses to create mental illness or terrorize me into false confessions to give to the world or just toture me to death or stop me from speaking out.

One of the world largest cases of **CRIMINAL DEFAMATION** (Endless lies told to the world with intent to rile the masses to end my life as well as try to keep me silenced about it, with upwards of 10,000 premeditated passive aggressive and covert harassments and psychological suggestive messages directed at me per day world wide for years, esculating since 10 years old)

With such well crafted thought-out and globally spread-out lies as to clear and obvious intent to rile the masses against me trying to make their criminal actions look justified:

(These are just a few of the well crafted world wide lies to rile the masses against me)

- He's a Narcisist. Obviously well thought out, to turn things around on me as a label when it came to defending my self or telling people what is going on.
- He's on the run (Continual lies to the world since a young age that I've done somethign wrong and am on the run to help turn the masses against me)
- He suffers from paranoid schitzofrenia (One of my families, Police, Government largest lies to try to justify their actions, and give to the world to get them to help them in what they are doing)
- He has no communication-skills (Of course not only are these people strangers, but how can you communicate with people trying to remove you from society or create mental illness who refuse to address their issues with you and tell you that you are imagining it)
- he can't see himself
- He's Violent (of course no history or factual evidence of violence, just people trying to make me look violent)
- he's a racist (I believe my family was telling the world this either to try to dictate who I associate with, or to just create world wide mobs to end my life)
- He's angry at the world or thinks the world is out to get him (I believe said at a young age because my family didn't like I was a fun loving, open minded free spirited type, and they could turn around what they were doing on me to try to make me look angry)
- He is acting and pretending to have paranoid schitzofrenia and playing mind games (as a coverup for the original lie that I have paranoid schitzofrenia)
- he's confessing to things either through his artwork or behaviors
- he's too sensitive
- He's Catty or Bipolar (except these claims are made by strangers I've never spoken too for such things as taking some days off from the gym and other various cry wolf tactics from strangers, then noticing them endlessly trying to trigger me to get reactions which shows they are lieing and have ulterior motives)
- he has a high Libido, therefore he's angry and in a rage and a murderer (As if sex is somehow related to anger as we know it is the opposite)
- He's a troll trying to get people to blow up (of course not based on anything rational, factual or logical. (More like He asked a girl how she was, and he committed a crime, or maybe he wore a red, green, blue, orange, or any other clothing or he went to the gym or went jogging, or listened too music or sang, and somehow that equals trolling with no actual fact explanation or logic behind it. Just random events taken and used by putting stories to each action and taking them out of context and giving them to the world. This applying to every minuet details of my life from any gesture, saying, apearence, you name it.)
- He thinks differently then other people
- He's waiting for something
- He's a hacker
- He's a pedaphile
- He's starting fires by speaking out about what is going on (obviously the fires are being started by my predators, and speaking out is the only option showing that it is a coverup)

- He's a women beater and has hit multiple women
- He's pushy, violating, intrusive, following people, and spying on people (of course these just seem to be more lies made of for people to endlessly do to me to justify their actions)
- He's a bully
- He's Spying on people
- He's Stalking people (of course the only so called stalking I've done is wonder or be curious as to what was going on when people were sent after me to end my life and remove me from society. Which is clearly not stalking and people and the police trying to cover up their crimes of endlessly trying to set me up until it started to become apparent)
- He's trying to get people to blow up in anger
- He's Racist or hates gay people or even women
- He believes in Karma, therefore he is committing crimes (Another attempted justification so they can commit their crimes against me and make it look justified)
- He's trying to control people
- He snapped (this was said after I found out what was being done to my life and freaked out because I didn't know what was going on to cover up their crimes of trying to remove me from society with a mental illness campaign)
- He's like Loki, and creating mischief and screwing with people
- He's playing mind games with people
- He has no morals, is a con artist, and involved in fraudelant acts
- he's a danger to himself or others
- he's out of control and needs to be watched (he's a danger to himself or others)
- we are trying to help him (of course by following me around with mental illness tactics)
- He's shady and can't be trusted
- He's different or weird
- he's committed crimes and needs to be accountable (and some of these crimes they use as excuses to end my life are breaking the speed limit or J-walking, he peeled out in his car. Things that don't matter and don't justify their actions, even though they never could be justified anyways)
- he's lost
- He suffers from obsession, or anger, or rage
- He's competing with people (and of course, not just normal competing even though the lie isn't true, but psychotic type of things)
- He's careless (Yet my life has been about caring giving and helping everyone I knew or making sure I didn't do anything wrong or offend people within reason. While endlessly being setup, I might have fell for a few insignificant things, not paying attention, as I am then told it is my fault, and not the fault of the people trying to destroy me)
- People are afraid of you (of course they don't actually have any specific reason why anyone would be afraid of me)
- It's a public shaming (of course I seem to be punished for all the crimes committed against me, because I haven't done anything wrong except find out about all the attempted setups and smears, which means it's a coverup and torture operation to keep me quiet. Not that world wide public shaming operations would be legal anyways and would violate your civil rights)
- It's his personality (of course not based on who I meet and if it works out, but rather trying to profile me, and give it out to the world wide masses before I meet them to poison the well so they
